Speaker Menu

Hi, I'm Becca Lory Hectior and I'd love to work with you!

Becca Lory Hector is an award-winning author, international speaker, consultant, and LinkedIn Top Voice in Disability Advocacy. An openly Autistic and Disabled professional, she blends lived experience, research, and storytelling to inspire authentic belonging and leadership. Becca is a Global Heumann Fellow at the World Institute on Disability and leads groundbreaking research on Autistic Quality of Life (AQoL).

✦ Signature Speaking Topics

- Disability & Workplace Wellness
- Stigma, Bias, & Ableism at Work
- Autism & Neurodiversity in the Workplace
- Inclusive Company Cultures
- Autistic Quality of Life (AQoL)
- Disability & Leadership
- From Page to Stage: The Power of Storytelling in Advocacy

✦ Speaking Options

- Keynote Addresses — Inspiring sessions that motivate and educate.
- Workshops — Interactive learning experiences with practical takeaways.
- Leadership Roundtables — Strategy sessions for executives and ERG leaders.
- Advisory Sprints — Short-term engagements to turn ideas into action.

✦ ■ Impact Multipliers (Add-Ons)

- Advisory Sprint (30 days of support) — Ongoing consultation and follow-up.
- Workshop Upgrade — Transform a keynote into an interactive half-day experience.
- Belonging Audit Lite — Quick review of policies, practices, and culture.
- Leadership Roundtable — Focused strategy session for executives and ERGs.
- Implementation Guide (Custom PDF) — Branded takeaway for continued learning.
- MP4 Recording — Event recording for internal organizational use.

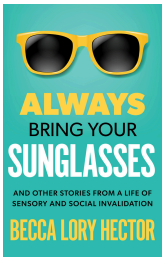
Why Work With Becca

· ***Authenticity***: Lived experience as an Autistic and Disabled professional.
· ***Expertise***: Leader in AQoL research and Disability leadership.
· ***Engagement***: Dynamic delivery that blends storytelling and strategy.
· ***Impact***: Content tailored to drive real organizational change.



Most organizations find the greatest impact comes when pairing a keynote with one or more add-ons. Together, we ensure your event creates lasting change.
